## ARTICLE III

### Grievance Procedure

A. Definition

The term "grievance" means a complaint or claim over the interpretation, application or alleged violation of negotiated agreements, board policies and administrative decisions affecting employees' terms and conditions of employment.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, a resolution to the problem which may arise from time to time affecting employees.

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Filing a Grievance

A grievance may be filed by an individual member, a group of members of

the Association, either in its own name or as the representative of a group or class whose individual signatures, shall not be necessary. Any grievance must be lodged at the proper initiating level within thirty (30) calendar days of the happening of the event.

2. Failure to Communicate a Decision

Should the Association fail to communicate a response within the specified time limitation, the grievance shall result in a dismissal.

Should the Superintendent fail to respond within the specified time limitation, then the grievance shall proceed to the next level of the grievance procedure.

3. Informal Attempt to Resolve a Complaint

An individual who has a complaint shall discuss it first with his immediate supervisor in an attempt to resolve the matter informally. However, if the complainant is the Association, the initial discussion shall be at the level of the superintendent; and in such event, if the problem is not resolved to the satisfaction of the Association within fourteen (14) days after the conclusion of the discussion, the procedures prescribed in the subsections of this section shall become applicable.

4. Level One - Immediate Superior

If, as a result of the discussion, the matter is not resolved to the satisfaction of the complainant within seven (7) calendar days, he shall set forth his grievance in writing to the Superintendent, specifying:

- a. the nature of the grievance;
- b. the nature and extent of the injury, loss or inconvenience;
- c. the result of the previous discussion

The Superintendent shall communicate his decision to the grievant in writing within ten (10) school days of receipt of the written grievance.

5. Level Two - Board of Education

If the grievance is not settled after reaching the Superintendent of Schools, the matter may be referred back to the Association for reconsideration. The Association shall make a determination as soon as possible, but within a period not to exceed ten (10) school days, notifying the employee in writing of that determination.

If the Association determines that the grievance has merit, it shall recommend to the Superintendent that the grievance be reviewed again, and shall submit its recommendation within five (5) school days. If not satisfactorily resolved, the grievance is to be submitted to the Personnel Committee of the Board of Education within ten (10) days. If not satisfactorily resolved, the grievance is to be submitted to the full Board of Education and they will meet with the employee and make a determination within ten (10) days, notifying in writing the employee, the Superintendent and the Association of its decision.

6. Level Three - Arbitration

In the event a grievance has not been resolved at Level Two, either the Association or the Board may seek "binding arbitration" without the other's consent.

When binding arbitration is intended to be used in remediation of a grievance, the following conditions must exist:

- a. The topic for arbitration will be limited only to the "express terms of the written Agreement."
- b. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can neither add to nor subtract anything from the Agreement between the parties.
- c. Grievances that are related to Board policies shall not be topics for arbitration.
- d. A written request for arbitration must be submitted to PERC and simultaneously served on the other party within fifteen (15) calendar days after receipt of the Board's response at Level Two or after the Board's response was due.
- e. The arbitrator's decision shall be in writing and submitted to the Board and the Association.
- f. All costs of the arbitrator, including per diem and travel, shall be borne equally by the parties. Any other expenses incurred shall be paid by the party incurring same.

7. Right to Representation

It is understood that any aggrieved person may be represented at all stages of the grievance procedure by himself or at his option, by a

representative selected and approved by the Association, also at Level One, if mutually agreeable. When an administrator is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. However, the aggrieved person must be present at all times.

No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party of interest, or any representative in the grievance procedure by reason of such participation.

8. Separate Grievance File

During the processing of a grievance, all documents and records dealing with the grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants. However, a copy of the decision will be placed in the personnel file and the aggrieved member or members shall have the right to attach a written disclaimer within thirty (30) days.

9. Meetings and Hearings

No meeting or hearing conducted under this procedure shall be public, unless the grievant exercises the right to compel a public discussion of the grievance.

If a meeting is not held in public, then the only parties in attendance shall be the parties in interest and the designated or selected representatives contemplated in this article.

D. Costs

The fees and expenses of the arbitrator are the only costs which will be shared equally and only in instances where the binding arbitration is mutually agreed to by both parties.

In all other cases, except when binding arbitration is mutually agreed to by the parties, the fees and expenses shall be born by the party incurring them.

Where, however, the grievant elects to proceed without the Association's concurrence, the costs shall not be born or shared by the Association. Time lost by any grievant and/or his representative due to arbitration proceedings shall not be charged to personal time nor shall there be any loss in pay.
